This permit becomes null and void if the work or construction authorized is not commenced within 360 days, or if work or construction is suspended or abandoned for 360 days at a time after work is commenced or if work is not completed within one year from date of issuance. Building Official may extend permit for no more than 360 days after receipt of written request from permittee

All work shall be done in accordance with the approved plans, except, where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of the Building Official.

It is the responsibility of the permittee to obtain the required inspections. Failure to notify this department that the work is ready for inspection may necessitate the removal of some of the construction materials at the owners expense in order to perform such inspection.

FOR INSPECTION CALL 834-3401 - Please provide the following information: Permit Number, Name, Project Address and Type of Inspection Needed.

I hereby certify that I have read and examined this application and know the same to be true and correct. I agree to pay all fees necessary for issuance of this permit. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State of local law regulating construction of the performance of construction.
