

# VALDEZ CONVENTION & CIVIC CENTER

## BALLROOM TECHNICAL INFORMATION

### BALLROOM INFORMATION

The Civic Center Ballroom measures 64' x 101' and can be divided into three separate rooms, each with their own individual sound system.

A Unique feature of the Ballroom is the permanently installed dimmer system. 58 dimmers are available for highlighting portable stages, displays or for decorating with gobos. Please contact the Civic Center Technical Coordinator for a ballroom dimmer plot.
